Introducing the Healthcare Masters Gold Club

SCALE Community is excited to announce a new way to join our community. Elevate your influence with the SCALE Community Masters Gold Club (MGC) Membership.

Overview:

Join the SCALE Community Masters Gold Club Membership to elevate your influence, leadership, and impact in the healthcare industry. This exclusive membership offers luxurious retreats, key advocacy roles, prestigious conference access, regular interview features, opportunities to publish thought leadership, and access to a wealth of exclusive content. Position yourself at the forefront of healthcare innovation and leadership.

Member Benefits:

Luxurious 2-Day CEO Roundtable at an Exotic National Offsite Location

Enjoy a 2-day retreat at stunning locations like Aspen. Engage with fellow executives in a high-end environment tailored for impactful discussions and networking.

Seat at National Healthcare MSO Advocacy CEO Board-Roundtable

Secure a pivotal role in healthcare advocacy. Participate in the National Healthcare MSO Advocacy CEO board-roundtable, lead action committees, participate in quarterly calls, and spearhead research and lobbying efforts to shape healthcare policy and strategy.

Opportunity to Shape the Future of the Healthcare Industry

As an MGC member, you can influence and contribute to high-impact research and analysis projects. Leverage your expertise to shape critical industry studies, collaborating with fellow leaders to drive initiatives that define the future of healthcare.

SCALE Healthcare Leadership Conference Exclusive Event

Attend the distinguished SCALE Healthcare Leadership Conference with a special breakout session, reserved for MGC members. Gain exclusive insights and connect with leading minds in healthcare leadership.

Monthly CEO Leadership Series Interview Opportunity

Be featured in our monthly CEO Leadership Series. Share your vision and expertise with a broad audience, enhancing your influence within the healthcare community.

Publish Thought Leadership on SCALE Classroom Theme Topics

Publish articles on SCALE Classroom Theme Topics. Share your knowledge, drive meaningful discussions, and shape the future of healthcare by influencing the next generation of professionals.
