

SPONSORSHIP OPPORTUNITIES WITH SCALE

# GET TO KNOW US

# SCALE + healthcare

SCALE Healthcare is built on the foundation of a singular focus – elevating management performance across healthcare services through innovation and technology. We are dedicated to partnering with management teams, clinical leaders, payors, regulators, and investors across every city and state, and across every clinical specialty, as they in turn endeavor to build great healthcare services companies.

SCALE Community fully recognizes that today's increasingly coordinated healthcare services industry requires an equally diverse representative of leaders/stakeholders. SCALE Community aims to become the country's first modern healthcare network for physician leaders, MSO management, health-system management, payor management, academics, plus institutional investors.
